I recommend pistachio's ice cream cone at this shop. Another shop was 1.5 euros but I recommend this shop, 1.9 euros

I'm going to write about Upper Barracca Garden.

It is in Valletta. There are cannons. Cannons sound at noon. I watched Grand harbour from arch holes.

I went to Valletta sometimes because I wanted to eat pistachio's ice cream cone. I used a 1 week bus ticket.

It's very convenient. It's 12 euros. Valletta to Sliema took about 20 minutes. Pistachio's ice cream cone was delicious!
